LIGHTING COLLECTIONS

#### ABOUT ARTICOLO

Articolo is a design studio that reveres the ephemeral nature of light through a commitment to artisanal craft and quality workmanship. With showrooms in Melbourne Australia and New York City, with Los Angeles to follow, the studio reflects founder and creative director Nicci Kavals' passion for the textural spirit of light; producing works that are internationally regarded for a contemporary, yet enduring aesthetic and the luxurious pairing of materials.

SHOWROOM, MELBOURNE, AUSTRALIA

NICCI KAVALS

#### NICCI KAVALS

An influential design force for more than 25 years, Nicci Kavals is a designer driven by intuition, with a process that embodies an innate sense of unrestrained freedom.

Inspired by her singular vision to explore the ephemeral nature of light, every Articolo collection reflects Nicci's fascination with cultivating light, believing in its beauty and the role it plays in shaping mood and moment.

Nicci's vision is ever evolving, working alongside a global network of makers to craft pieces with true artisanal materiality and a distinctive design language.

#### INDOOR COLLECTION

Articolo Indoor collections honour simplicity of form and materiality, creating an enduring, timeless aesthetic. Imbuing each design with soulful poeticism, we elevate lighting with a design philosophy characterised by subtlety, proportion and a luxurious pairing of materials.

When lit, Articolo's sophisticated forms cast orchestral movement in an unparalleled play of light, harmonising with the surrounding interior while embodying both a sculptural and functional purpose.

#### LIGHTING FINISHES

We collaborate with a close network of craftsmen and women whose skill and talent we deeply respect. Our love for the artisanal nature of materiality in its different forms from the nuances of mouth-blown glass to solid metals, ceramics, stone and leather, is reflected in the human element of generational artisans whose value cannot be replicated through mass production.

Together we uphold ideas, exploration, creativity and curiosity as a collective, with a unified vision that ensures each finished piece is testament to the many minds and hands that have interpreted Nicci's unique design language.
