

ARTICOLO

MATERIALS & CARE GUIDE

LIGHTING FINISHES

We collaborate with a close network of craftsmen and women whose skill and talent we deeply respect. Our love for the artisanal nature of materiality in its different forms from the nuances of mouth-blown glass to solid metals, ceramics, stone and leather, is reflected in the human element of generational artisans whose value cannot be replicated through mass production.

Together we uphold ideas, exploration, creativity and curiosity as a collective, with a unified vision that ensures each finished piece is testament to the many minds and hands that have interpreted Nicci's unique design language.

CARE & MAINTENANCE

METAL FINISHES

LINISHED BRASS WITH
ELECTROPHORETIC CLEARCOAT

Gently clean any marks or blemishes with a warm damp soft cloth as required, ensure surface is dried completely.

Do not use solvents, abrasive cleaners or scourers on any Articolo products as this may affect the thickness of the coating over time.

MID BRONZE

Annually or as required, apply non abrasive wax (Renaissance wax) to the surface, wipe clean with a soft cloth.

Apply after installation & annually or as required. Do not use solvents, abrasive cleaners or scourers on any Articolo products as this may affect the thickness of the coating over time.

METAL PLATED FINISHES

ELECTROPLATE BLACK
& SATIN NICKEL

Gently clean any marks or blemishes with a warm damp soft cloth as required, ensure surface is dried completely.

Do not use solvents, abrasive cleaners or scourers on any Articolo products as this may affect the thickness of the coating over time.

POWDER COATED FINISHES

GRAPHITE, WHITE & BRONZE

Gently clean any marks or blemishes with a warm damp soft cloth as required, ensure surface is dried completely.

Do not use solvents, abrasive cleaners or scourers on any electroplated Articolo products as this may affect the thickness of the coating over time.

OTHER FINISHES

GLASS

For clear glass and coloured glass, wipe gently with a soft, clean cloth moistened with warm water; ‘Isocol’ rubbing alcohol may alternatively be used.

For frosted or etched glass, dust gently with a duster or soft rag. Do not scrub frosted glass. Removable shades can be washed carefully in warm to hot water in the sink with minimal cleaning solution.

Ensure lights are turned off prior to cleaning or maintenance.

PORCELAIN

For porcelain shades, use a soft rag with diluted clear or white cleaning solution, or dust gently with a duster or soft rag.

LEATHER

Dust gently with a soft rag or duster.
Do not use commercial cleaning agents.

MESH

Dust gently with a soft rag or duster.
Do not use commercial cleaning agents.

PAPER

For paper shades, dust gently with a duster or soft cloth.
Take care not to place pressure on the paper shade

SUPPORT

Articolo celebrates the art of light through a commitment to artisanal craft and quality workmanship. Following these care and maintenance guidelines will ensure your piece maintains its appearance for many years to come.

If you have any questions regarding care and maintenance, please contact us and we will happily assist you:
