#### NICCI KAVALS

An influential design force for more than 25 years, Nicci Kavals is a designer driven by intuition, with a process that embodies an innate sense of unrestrained freedom.

Inspired by her singular vision to explore the ephemeral nature of light, every Articolo collection reflects Nicci's fascination with cultivating light, believing in its beauty and the role it plays in shaping mood and moment.

Nicci's vision is ever evolving, working alongside a global network of makers to craft pieces with true artisanal materiality and a distinctive design language.

#### INDOOR COLLECTIONS

Articolo Indoor collections honour simplicity of form and materiality, creating an enduring, timeless aesthetic. Imbuing each design with soulful poeticism, we elevate lighting with a design philosophy characterised by subtlety, proportion and a luxurious pairing of materials.

When lit, Articolo's sophisticated forms cast orchestral movement in an unparalleled play of light, harmonising with the surrounding interior while embodying both a sculptural and functional purpose.

As a team, we collaborate with a close network of crafts men and women whose skill and talent we deeply respect. Our love for the artisanal nature of materiality in its different forms, from the nuances of mouth-blown glass to solid metals, ceramics, stone and leather, is reflected in the human element of generational artisans whose value cannot be replicated through mass production.
