As each 'barnacle' form is hand-crafted by Davies using reclaimed materials, colours may vary subtly from website images. You will also see the artist's touch in each piece – a mark of artisanal quality and the evolving dialogue between creator and creation. Similarly, metal finishes, particularly hand-rubbed bronze, may vary in tone from mid to dark bronze.

With these distinctions in mind, please know that we take every care to match 'barnacle' and metal finishes for each order.
