SADDLE

A Refuge for Dreaming

Articolo's latest Furniture Collection, Saddle is honed to reveal a simplicity of form, a timeless modernity that defies trends and endures time; they traverse function to become intrinsically woven with our memory of home.

Aptly named Saddle, cushions clad in a linen composite renowned for its durable properties are suspended in a stain proof leather sling uniting two solid walnut legs. Handcrafted by artisans who share a meticulous devotion to proportion and comfort, each piece is united in detailing reminiscent of saddlery and practices of the earliest Milanese ateliers.

'We may build houses, but we create homes—from the location we adopt, the objects we choose to furnish it with, and the people we invite in. Each home is a time capsule; a fragment of one's life.'
