SLIP

Slip is the playful sophisticate; while elegant, it reveals a more irreverent side. The ellipsoid form is dissected and offset, to create a more playful interpretation of a classic form, revealing an inlay of precious metal.

Available in neutral and autumnal shades of leather or Dark Wenge Veneer with bronze inlay, Slip Side Table and Slip Stool can be customised with a Dark Wenge Tray to suit any occasion or interior location.

SADDLE

The Saddle furniture collection has been honed to reveal a simplicity of form, a timeless modernity that defies trends and endures times; they traverse function to be intrinsically woven with our memory of home.

Aptly named Saddle, cushions clad in a linen composite renowned for its durable properties are suspended in a stain proof leather sling, uniting two solid walnut legs. Hand-crafted by artisans who share a meticulous devotion to proportion and comfort, each piece is united in detailing reminiscent of saddlery and practices of the earliest Milanese ateliers.

The collection comprises the Saddle Armchair, Saddle Bench, and Saddle Ottoman. The result is a series of elegant furniture pieces that can be layered to command and ground the most volumetric of interior spaces.
