ABOUT ARTICOLO

Articolo was established in Melbourne in 2015. Founded by Nicci Kavals, Articolo's objective has always been to design lighting and a complement of sculptural furniture pieces of the finest quality, fusing sophisticated engineering with an elevated design aesthetic. Articolo's products celebrate the artistry of transforming materials into objects of beauty—from the nuance of mouth-blown glass to the forming of precious metals, each object reveals and revels in the unique imprint of the maker's hand; an echo of humanity that cannot be replicated in mass production.

NICCI KAVALS

NICCI KAVALS

Nicci Kavals has a design sensibility and talent acquired from a life dedicated to her craft. In the inception of her career as both chef, food stylist and then Melbourne Editor of Vogue Entertaining & Travel magazine, Nicci learnt the art of reduction and visual seduction; tantalising one's sense of sight and taste. This naturally evolved to design objects to elevate and complement the culinary arts before expanding her repertoire with objects of sculptural and poetic beauty to enhance any interior environment.

ARTICOLO HOME

Our products are made from the finest quality materials. They are a fusion of art and sophisticated engineering, imbued with a soulful poeticism a unique imprint of the makers skill and craftsmanship.

Articolo Studios furniture collection re-imagines recognisable forms in innovative and new ways. Designed to enhance or reveal the inherent beauty of both natural and machined materials, the collection introduces a compliment of sculptural pieces to enhance any interior environment.

The Cuff Bar Stool brings the same sculptural elegance to kitchen islands, home bars and considered hospitality interiors.

SADDLE COLLECTION

The Saddle furniture collection has been honed to reveal a simplicity of form, a timeless modernity that defies trends and endures times; they traverse function to be intrinsically woven with our memory of home.

Aptly named Saddle, cushions clad in a linen composite renowned for its durable properties are suspended in a stain proof leather sling, uniting two solid walnut legs. Hand-crafted by artisans who share a meticulous devotion to proportion and comfort, each piece is united in detailing reminiscent of saddlery and practices of the earliest Milanese ateliers.

The collection comprises the Saddle Armchair, Saddle Bench, and Saddle Ottoman. The result is a series of elegant furniture pieces that can be layered to command and ground the most volumetric of interior spaces.

SADDLE ARMCHAIR
